THE GREEN CITY

Not many cities can say they are situated in the midst of 4000 acres of nature reserve, like Breda can. Lovely areas for strolling, hiking and biking. Green woods and forests, purple heathlands and many surrounding villages with rich history. Mapped (cycle) trails take you along all highlights and show you our most beautiful sites. A relaxing yet sporty day out!

THE CREATIVE CITY

Blind Walls Gallery is the urban street museum. A growing collection of over 80 wallpaintings, created by international artists. Each painting is based on a typical story from that particular neighbourhood. Blind Walls Gallery guides will explain all about the art, their creators and the inspiring local stories. These guided tours provide an alternative way to discover Breda; extraordinary locations, great stories, beautiful artwork!

THE HOSPITABLE CITY

Sprinkling hospitality, that's what Breda is good at. The city is well known for its vast amount of pubs, restaurants and bars. Breda guarantees a great night out and various nightlife settings. Should you wish for an extensive dinner? Or are you in search of a unique hotspot? Let us assist you in any way!
